

- Use every night. A key is delivered to subsequently open the screw and create spaces.
- Do not take the device to school and always keep it in its box.
- Do not use the plate to eat.
- Store it in a safe place while eating or brushing your teeth.
- Do not wash it with soaps or toothpastes. Use COREGA tablets to clean at least once a week and leave it 15 minutes in the mixture.
- Never clean the plate with hot water because it can distort its final shape.
- To wash the plate use a different hard bristle brush than the one you use to brush your teeth.
